Re: Gypsum Board Tariff

Dear Sirs:

The Alberta Wall and Ceiling Association (AWCA) is a nonprofit trade association for the wall and ceiling industry Alberta. We serve a membership comprised of an estimated 11,000 individuals from apprentices, to journeymen, contractors, manufacturers, dealers and other professionals in the industry. We would like to represent our Alberta industry on the ruling by the Canadian International Trade Tribunal decision dated August 5, 2016 by applying to become a party at the scheduled Hearing on December 5, 2016 at Room 1, 18<sup>th</sup> Floor, 333 Laurier Avenue West, Ottawa, Ontario.

Our members are directly impacted by the ruling and its 'provisional' tariff. The uncertainty, confusion and the resulting unintentional consequences are a causing detrimental effect throughout our industry including commercial, industrial and home building construction in Alberta.

Thank you for your consideration.

Sincerely,

*Madelyn Todd*
